

Because of **your** generosity, families will not grieve alone, as they take advantage of the bereavement and counseling services United Hospice has to offer. Because **you** care, the pain of children who have lost a loved one will be eased through our Healing Hearts program.

Because of **you**, United Hospice will be there, serving our community for generations to come.

"For years, I have been an ardent supporter of United Hospice and the wonderful care they gave my family, as well as our seriously ill neighbors and friends. With gratitude, my late husband and I helped to create the beautiful and serene Joe Raso Hospice Residence. I have also included Hospice in a charitable remainder trust to help insure that these vital services are available for all families in years to come."

—Tess McCormack Raso

"Over the years, United Hospice has been a great support to me and my family. I am profoundly grateful for the thoughtfulness we received as the professional, compassionate Hospice staff cared for my father and then my husband. I believe it is imperative that the work of Hospice continues. By designating United Hospice as a beneficiary of my annuity account, I can help insure that these critical services remain available to other families well into the future."

—Judith A. Pachter

PLANNED GIVING... A GIFT FOR THE FUTURE

PLANNED GIVING...

*"What we have done for ourselves alone dies with us;
what we have done for others and the world
remains, and is immortal." — Albert Pike*

WHAT WILL YOUR LEGACY BE?

LEAVE A LEGACY

As a non-profit organization, United Hospice has been fortunate to have the support of a caring community to enable us to provide high-quality end-of-life care to patients and their loved ones.

HELP ENSURE THE FUTURE OF UNITED HOSPICE!

By making a legacy gift, you help guarantee that our loved ones will be treated with dignity and compassion for generations to come.

Challenging economic times and an uncertain future for the funding of health care, makes your gift more critical than ever. Notify us of your planned gift and we will honor you as a member of the UH Legacy Society.

MISSION

United Hospice **Honoring Life, Giving Care, Bringing Comfort.**

WHY PLANNED GIVING MATTERS

Planned giving affords you the opportunity to make a charitable gift commitment now which will benefit United Hospice in the future. It involves creative ways to provide support to your favorite charity beyond writing a check or making a credit card donation.

A planned gift leaves a lasting impact on the things you value and allows you to extend your generosity well into the future.

One does not need tremendous wealth to consider a planned gift to United Hospice. Regardless of your financial situation, there are gifts that may fit your needs.

CHOOSE THE GIFT THAT IS RIGHT FOR YOU

- Make a charitable bequest in your will
- Designate UH as a beneficiary of an IRA or other retirement plan
- Name UH as a beneficiary of a life insurance policy
- Add UH as the beneficiary of an existing savings account
- Make a gift of stock or other securities
- Establish a charitable annuity trust, a charitable remainder trust or a charitable lead trust

Some of these gifts do not require the services of a professional, while others may be more complicated. There are often significant tax benefits realized through planned giving. Our staff is happy to work with you to discover the way that works best for you to leave a legacy.

Through your planned gift, seriously ill individuals in our community will receive the comfort, care, and enhanced quality of life they deserve, and their families will receive the support they need.

Because of your generous contribution, families will not grieve alone.
