

## ABOUT THE JOE RASO HOSPICE RESIDENCE

Established in 1988, United Hospice has provided specialized care for individuals and families facing serious illness for over 30 years. Due to the growing need, we were grateful to be able to add the Joe Raso Hospice Residence to the extensive list of services UH offers in our community.

The Joe Raso Hospice Residence (JRHR) creates a home-like environment for seriously ill individuals in fragile living situations. Residents benefit from the full complement of Hospice's comfort-oriented care, provided by our compassionate and highly trained staff. Services available include: 24-hour, round-the-clock nursing care and aides; expert pain and symptom management; medical equipment, supplies and medications; support from social workers and chaplains; access to a hospice physician; friendly visiting volunteers; life-enhancing therapies, such as music, pet and massage; and ongoing bereavement support for family members and friends.

Situated on 11 peaceful, wooded acres in New City, the Joe Raso Hospice Residence (JRHR) is the only place in Rockland County dedicated to offering residential end-of-life care. ## Honor Your Loved One While Supporting the Joe Raso Hospice Residence: Dedicate a Stone on the Walerstein Walk of Honor

A special way to pay tribute to your loved one while also supporting United Hospice is to dedicate a Paver on the Jeffrey David Walerstein Walk of Honor located on the beautiful patio outside of the residence. Select a paver size and engrave the stone with sentiment that are meaningful to you. Purchasing a Paver allows you to honor a special person; commemorate a milestone occasion, such as a birthday or anniversary; or pay tribute to the memory of a loved one. Choose from three varying Paver sizes, ranging in price from \$350 to \$750. We welcome checks, credit card payments, and group gifts.

Your gift will help ensure that the Joe Raso Hospice Residence can continue to provide comfort, care and support to our patients and their families.
