Our nearly 10,000-square-foot facility provides the highest quality hospice care in a home-like atmosphere. A decade ago, our community made the decision to provide a place where patients facing life-limiting illness could get excellent hospice care with dignity and compassion.

We are proud of our dedicated staff and volunteers who continue to provide the highest quality service and clinical care to our patients and families. Thank you for supporting United Hospice so that we can support your loved ones when time matters most.
